Friend

If other, please explain below:

Please make whatever comments you would like about your son or daughter. Intellectual, personal, athletic, artistic, and or spiritual qualities demonstrated through specific examples are especially helpful to our evaluation of your child.

Rachel is an intelligent, responsible, resourceful young lady who loves Jesus and her family. Rachel faithfully serves at church in Sunday school, volunteers and serves on the Teen Action Council at our local library, is a member of a competitive dance team and assists in teaching at Ramona Julian Academy of Dance. She earns income providing childcare for local MOPS programs, childcare for the childcare workers at Existence Church before serving at our church, Reservoir Church on Sunday mornings, and she just completed a missions trip to Peru. She also takes classes at Palomar College.

What is your relationship to the applicant?

#### **Student Testimony**

**Describe in 3 to 4 well-written paragraphs the following items:**

**A. How a person becomes a Christian**

**B. What it means to live a Christian life**

**C. How you became a Christian**

**D. How you would describe your daily relationship with God at this time in your life**

*A. Realize your sins and that everyone sins, and no-one is perfect except Christ. Realize your need for a savior, and put your trust in God. You have to have faith in Him, and accept Him fully into your life. B. Living a Christian life is essentially living a life of Christ. Of course no-one will ever live a sinless life like He did, but we can try to live as close to that as possible. Always following Gods Word and Commandments, and treating others with love and grace. As a Christian we should constantly be sharing our faith, and the joy we have through God with everyone we meet, and really just living our whole lives through the teaching of*

*Christ and the Bible. C. I grew up reading the Bible everyday and going to church, so I always knew about God, but I would say that I accepted God into my life when I was about 7 or 8 years old. But even though I had acknowledged God, I didn't really have a personal relationship with him. Between the ages of about 10-13 though was a really hard time for me, I was an emotional preteen and was easily influenced by the worldly things around me. I doubted God and my relationship with him, and started to drift away from the Word. But when I was fourteen I hit a really low point and I realized how much I needed God and his peace and love in my life. It took my a little bit, but through the help of my parents and the people around me I accepted God into my life again. D. Since then I have really grown in my faith and my relationship with God to point where I can say my daily relationship with him really good at this point in my life. I was in a really dark place, but I feel happy now, and fulfilled knowing that I have a purpose and a God who loves me. Sometimes it can be hard rely on someone else, but I know that God has a plan, and I trust that.*

## Parent (or Legal Guardian) Commitment

### Parent (or Legal Guardian) Commitment

Maranatha Christian Schools have been established on the Biblical principle that God has given parents the primary responsibility for educating their children. MCS enters into a partnership with parents, as Christian professionals and educators hired to teach students academics and Biblical values.

It is our hope and desire that all students and families have a personal relationship with our Lord Jesus Christ. Since this is our purpose, we encourage both students and families to have a daily time of personal Bible study, to exhibit brotherly love toward one another, the school, and the community, and to attend a Bible believing church on a regular basis.

**My signature below indicates that I have read, understand and agree with the Parental (or Legal Guardian) Commitment.**

- I agree to support the pursuit of academic excellence and the development of Christ-like character at MCS, by being actively involved in our children's educational experience.
- I agree to support the school to the best of my ability through attendance and participation in the various school activities and through prayer, time, and financial gifts.
- I understand the school's standard of conduct which honors God and grants authority to the teacher or administrator to discipline our child when necessary. (The school does not administer corporal punishment.)
- I also agree to abide by and fully support the school's disciplinary policy as outlined in the handbook.
- I understand that attendance at MCS is a privilege and not a right; and that this said privilege could be revoked at any time for unacceptable work or conduct.
- I understand and recognize that the administration has full authority for grade placement and course assignment.
- I agree to support the school by timely payment of tuition and fees as set forth by the tuition and fee schedule.
- I understand and recognize that if our child is participating in the use of illegal drugs, alcohol or other intoxicants she/he will be expelled from the school.
- I agree to be a part of the solution, not a part of the problem when dealing with issues of the moral, spiritual, and social growth of our child at the school. If a problem or concern should arise, we will take our concern directly to the person involved.
- I also agree to follow the "complaint procedure" as outlined in the handbook for any concerns related to this school relationship. (Matt. 18) I understand that decisions made by the school superintendent on the foregoing topics are final and binding.

**I have read and understand the terms set forth in this Parental Commitment and will adhere to this covenant for the duration of my child(ren)'s attendance at Maranatha Christian Schools.**
